

**NOTICE OF PUBLIC HEARING**  
**Amend R307-101-3, General Requirements: Version of Code of Federal Regulations**  
**Incorporated by Reference.**

R307-101-3 incorporates by reference the version of the Code of Federal Regulations (CFR) used in a majority of rules adopted by the Air Quality Board. This allows rules that reference R307-101-3 to update the incorporation date with only one rule amendment. The most current version of the CFR for environmental regulations has been updated from July 1, 2008, to July 1, 2009; therefore it is necessary to change R307-101-3. A list of changes to 40 CFR from July 1, 2008 to July 1, 2009, that affect rules which reference R307-101-3, is available at <http://www.airquality.utah.gov/Public-Interest/Public-Commen-Hearings/Pubrule.htm>

A public hearing will be held January 20, 2010 at 1:00 p.m. in the Main Conference Room of the DAQ Building, 150 N 1950 West in Salt Lake City. In compliance with the American with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Brooke Baker, Office of Human Resources at (801) 536-4412 (TDD 536-4414).

The comment period closes at 5:00 p.m. on 2/1/2010. Comments postmarked on or before that date will be accepted. Comments may be submitted by electronic mail to [kkreykes@utah.gov](mailto:kkreykes@utah.gov) or may be mailed to:
